Prof. Martin Barstow
Head of Department of Physics and Astronomy
University of Leicester
University Road
LE1 7RH
Leicester
United Kingdom

I am writing to apply for a(*indicate the duration of the fellowship in months*) month fellowship in the Department of Physics and Astronomy, University of Leicester, funded through the EU Marie Curie Early Stage Training Action: Centre of Excellence for Space, Planetary and Astrophysics Research Training and Networking (SPARTAN).

(Here write more about yourself as an early stage researcher)

.....
.....

I would like to start my visit on(*start date*) and finish on(*end date*).

My work would be supervised by (*name of the supervisor from the Department of Physics and Astronomy at the University of Leicester*) with whom I developed my personal career development plan for the duration of the fellowship. This plan is also supported by my supervisor at(*name of your institution*) (*name of your supervisor at home institution*).

(Please provide the Personal Career Development Plan outlined on the next page. This should be a summary of the scientific and training objectives of your visit and how you plan to achieve it. Also include arguments for how you would benefit from the fellowship in terms of your career as a researcher. The Personal Career Development Plan (PCDP) will be part of your contract with the university if you succeed with your application)
